

LAKE COUNTY DEPARTMENT OF UTILITIES

Administration Division

Wastewater Preventative Maintenance

The Lake County Department of Utilities is accepting applications for the position of Preventative Maintenance at the Gary L. Kron Wastewater Reclamation Facility. Applicants must have a High School diploma or GED. A valid Ohio Driver's license with a Class B CDL with air brake endorsement, a safe driving record and a drug screening are required. Applicants familiar with basic maintenance and operational tasks involving manual labor, preventative care, general repairs, maintaining records, and utilizing tools and equipment to make and/or modify parts. Qualified candidates should possess experience in routine plant equipment maintenance, equipment lubrication schedules, asset management in a factory/industrial setting, and techniques to proactively avoid unplanned equipment downtime. Familiarity with wastewater treatment is preferable. Knowledge of Microsoft office is preferred. Good written and verbal communication skills; ability to have effective working relationships with fellow coworkers, public officials, the general public, contractors, consultants and customers is preferred. This position will include physical labor, including working outdoors in all types of weather conditions. This position may require overtime, shift, weekend and holiday work, as well as flexible hours and rotating days. Starting salary will be dependent upon qualifications.

Send resumes to Kelly Andino at LCDUjobs@lakecountyohio.gov, or 105 Main Street, Painesville, OH, 44077 by April 28, 2021. Please reference job #2021-8.
